

2018 Spring International Conference of KSAE

Globalization of Korean Entomology

25-27 April 2018 / Hotel Hyundai, Mokpo

PROGRAM

25 April Wed	Time	Section	Room
	12:00~	Sign up for Conference	Desk
	13:00~13:40	Regular General Meeting	Convention A+B (1F)
	13:40~14:00	KSE Award Ceremony and Special Lecture from the Winner	
	14:00~14:10	Break	
Symposium I			
14:10~16:40	Symposium of graduate school students		Convention C (1F)
	Pest management strategies in food industry (Reduction plan of insect foreign materials in food)		Emerald+Ruby (2F)
	Diversity and reality of insect industry in Korea		
	Insect physiology and its application for pest control		Convention A+B (1F)
16:40~16:50	Break		
Keynote Lecture I			
16:50~17:30	Rapid development of biosurveillance tools and management tactics for a polyphagous invasive species	Tracy C. Leskey	Convention A+B (1F)
17:30~18:30	Poster Presentation I [Agricultural Entomology (59-155)]		Poster showing (2F)
18:30~20:00	Reception		Convention A+B+C (1F)
Small Group Meeting I			
20:00~22:00	Risk assessment and sampling method of plant pests		Diamond + Crystal (2F)
	Editorial Board Meeting: publishing policies, research ethics & education, etc.		Sapphire (2F)
	Prospect of tree diagnosis in a zone of life by the enforcement of an arbor doctor system		Emerald + Ruby (2F)
26 April Thu			
Global Symposium I		Oral Presentation I	
09:10~11:40	Frontiers in crop protection	General entomology (01-10)	Agricultural entomology (11-18)
	Convention A+B (1F)	Diamond + Crystal (2F)	Emerald + Ruby (2F)
Keynote Lecture II			
11:50~12:30	A honey bee digestive phospholipase A ₂ : Presenting and writing on an international stage	David Stanley	Convention A+B (1F)
12:40~14:00	Lunch (provided by KSAE)		Sara + Convention C (1F)
Global Symposium II		Oral Presentation II	
14:00~16:20	Frontiers in insect biotechnology	Agricultural entomology (19-25)	Agricultural entomology (26-31)
	Convention A+B (1F)	Diamond + Crystal (2F)	Emerald + Ruby (2F)
16:20~16:30	Break		
16:30~17:30	Poster Presentation II [General (1-58), Environmental (156-161) & Other Fields of Entomology (162-181)]		
17:30~19:00	Dinner (Not provided)		
Small Group Meeting II			
19:00~	Recent research on the control of vector insects of pine wood nematode		Diamond + Crystal (2F)
	Industrial trends of insect pest control using attractant		Emerald + Ruby (2F)
	Application example of industrial insect field		Sapphire (2F)
27 April Fri			
Symposium II			
09:10~11:30	Diversity and higher-level classification of beetles (Coleoptera)		Convention B (1F)
	Insect Pathology & Bioinformatics		Convention C (1F)
	Future careers of entomologists: Government, industry and academia		Sapphire (2F)
	Insect chemical ecology in Korea, 5th: Towards diversity		Emerald+Ruby (2F)
11:30~	Award and Closing Ceremony		Convention A (1F)
부스 및 전시 안내			
Photo exhibition	제2회 곤충사진 공모전 수상작 해충 피해 사진 전시		
JOB CAFE	기관, 기업체와 취업을 희망하는 회원들과 만남		

* 일정은 추후 변경 가능성 있습니다.
